PRODUCT OF HUNGARY

Hungarian Tokaji is the cradle of sweet wines, though this time a semi-sweet one let us discover what it meant to be called 'Tokaji'. Specificity of the terroirs and the grapes of the Tokaj Wine Region create the complexity of the wines we produce. Light colour, with notes of ripe pear and fruity aromas, resulting in a pleasing, creamy texture. Enjoy this wine with cheese, light desserts or on its own at the dinner table.
